## Session

1. Question Answer to Dr. Ritaben Shah

2. Free Check up on 25/07/2014

Myself Birva Joshi and Hasumati feeling joy by organizing seminar on the girls “**Awareness of some problems and also about its Solution**”.

Dr. Ritaben Shah was the guest of this seminar. She has provided very beneficial information to us regarding girls problem. She has also delivered helpful instruction to all the girls.

One questioner was organized on that day between Dr, Ritaben and girls. Some girls have asked questions regarding their confusion and queries. Ritaben has answered very satisfactory to the girls.

She also announced that if any girl come with her mother with college I card free check up will be done. This facility is available only for the girls of SOCET.

In the end of seminar all the girls have removed their fear regarding queries.
