

SILVER OAK COLLEGE OF ENGINEERING & TECHNOLOGY
MECHANICAL ENGINEERING DEPARTMENT

FACULTY DEVELOPMENT PROGRAM

Topic: Advances in the field of FEA and FEA Software

Date: 14th February 2015

Timings: 1400 to 1600 hours

Venue: Titanium Hall, C-Block, SOCET

Participants: Faculties of Mechanical Engineering Department

Host: Mr. Parth Pandya from R-CAD Solutions, Ahmedabad

Outline of the Event:

A Faculty Development Program was organized by the Mechanical Engineering Department, Silver Oak College of Engineering and Technology, on 14th February 2015. The program was aimed at enhancing the technical know-how of the faculty members in the field of Finite Element Analysis and relevant Software. Mr. Parth Pandya from R-CAD Solutions, Ahmedabad was the host for the program. The usage of the Finite Element Method in various field of Engineering Application was demonstrated. The use of the FEA software, ANSYS, was also demonstrated. The two hour program concluded with a Question-Answer session. The program, being coherent with 'Modern Mechanical Engineering', was welcomed by the faculty members.
